Pursuant to the Securities and Exchange Commission’s “notice and access” rules, in April 2024, you will receive in the mail our Company’s Notice of Internet Availability of Proxy Materials (the “Notice”), which will provide you with instructions on how to access, via an Internet website, this Proxy Statement, the Company’s 2023 annual report to stockholders and the Company’s Annual Report on Form 10-K for the recently completed fiscal year. Details regarding the business to be conducted at our Annual Meeting are described more thoroughly in the Notice and in the accompanying Proxy Statement. At the Annual Meeting, we will report on Company operations and the outlook for the year ahead. Once again, this year’s Annual Meeting will be conducted virtually via live audio webcast. You will be able to vote and submit your questions during the meeting by visiting www.virtualshareholdermeeting.com/PLSE2024. Please have your Notice or proxy card in hand when you visit the website. During the Annual Meeting, stockholders will be asked to vote on the following proposals, as more fully described in the Proxy Statement:

3. To transact such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

Our Board of Directors has fixed the close of business on April 12, 2024 as the record date for the Annual Meeting. Only stockholders of record on April 12, 2024 are entitled to notice of, and to vote at, the Annual Meeting. It is important that your shares are represented and voted at the Annual Meeting. For specific voting instructions, please refer to the information provided in the Notice and in the Proxy Statement, together with your proxy card or the voting instructions you received with the Proxy Statement. Your vote must be received by 11:59 p.m., Eastern Time, on Wednesday, June 5, 2024.

YOUR VOTE IS IMPORTANT. Whether or not you plan to attend the virtual Annual Meeting, we request that you submit your vote via the Internet, telephone or mail. Thank you for your continued support of Pulse Biosciences.

**PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
To Be Held at 8:00 a.m., Pacific Time, on June 6, 2024**

GENERAL INFORMATION

We are providing you with this Proxy Statement and the enclosed form of proxy in connection with the solicitation by our Board of Directors for use at our 2024 annual meeting of stockholders (the “Annual Meeting”). The Annual Meeting will be conducted virtually via live audio webcast by visiting www.virtualshareholdermeeting.com/PLSE2024 on June 6, 2024 at 8:00 a.m., Pacific Time. This Proxy Statement contains important information regarding our Annual Meeting, the proposals on which you are being asked to vote, information you may find useful in determining how to vote, and information about our voting procedures. As used herein, the terms “we,” “us,” “our,” “Pulse Biosciences,” and the “Company” all refer to Pulse Biosciences, Inc., a Delaware corporation.

This Proxy Statement and the accompanying proxy card or voting instruction form will first be made available to our stockholders on or about April 25, 2024. See the section entitled “Fiscal Year 2023 Annual Report and SEC Filings” for information on accessing our 2023 Annual Report to Stockholders.

The information provided in the “question and answer” format below is for your convenience only and is merely a summary of the information contained in this Proxy Statement. You should read this entire Proxy Statement carefully. Information contained on, or that can be accessed through, our website is not intended to be incorporated by reference into this Proxy Statement and references to our website addressed in this Proxy Statement are inactive textual references only.

QUESTIONS AND ANSWERS

What is a proxy?

A proxy is your legal designation of another person to vote the stock you own. The person you designate is your “proxy,” and you give your proxy the authority to vote your shares by submitting the enclosed proxy card, or if available, voting by telephone or the Internet. We have designated Kevin P. Danahy, our President and Chief Executive Officer, and Darrin R. Uecker, our Chief Technology Officer, to serve as proxies for the Annual Meeting.

What matters will be voted on at the Annual Meeting?

The following matters will be voted on at the Annual Meeting:

Proposal 1: To elect five directors from the nominees named in this Proxy Statement to hold office until our 2025 annual meeting of stockholders and until their respective successors are duly elected and qualified, subject to their earlier resignation or removal;

Proposal 2: To ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2024; and

To vote on such other business as may properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting.

How does the Board of Directors recommend that I vote?

The Board of Directors recommends that you vote:

- “FOR” the election of the five directors nominated by our Board of Directors and named in this Proxy Statement; and
- “FOR” the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2024.

Will there be any other items of business on the agenda?

If any other items of business or other matters are properly brought before the Annual Meeting, your proxy gives discretionary authority to the persons named on the proxy card with respect to those items of business or other matters. The persons named on the proxy card intend to vote the proxy in accordance with their best judgment. Our Board of Directors does not intend to bring any other matters to be voted on at the Annual Meeting. We are not currently aware of any other matters that may properly be presented by others for action at the Annual Meeting.

Who is entitled to vote at the Annual Meeting?

Holders of our common stock at the close of business on April 12, 2024, which we refer to as the record date, may vote at the Annual Meeting. Each stockholder is entitled to one vote for each share of our common stock held by them, her, him, or it as of the record date. In deciding all matters at the Annual Meeting, each stockholder will be entitled to one vote for each share of our common stock held by them, her, him, or it on the record date. Stockholders are not permitted to cumulate votes with respect to the election of directors.

A complete list of these stockholders will be available at www.virtualshareholdermeeting.com/PLSE2024 for ten days prior to the Annual Meeting. A stockholder may examine this list for any legally valid purpose related to the Annual Meeting.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Stockholders of Record. You are a stockholder of record if, at the close of business on the record date, your shares were registered directly in your name with Broadridge Corporate Issuer Solutions, Inc., our transfer agent. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote on your own behalf at the Annual Meeting.

Beneficial Owner. In contrast, you are a beneficial owner if, at the close of business on the record date, your shares were held by a brokerage firm, bank or other nominee and not in your name. Being a beneficial owner means that, like many of our stockholders, your shares are held in “street name.” As the beneficial owner, you have the right to direct your broker, bank or nominee how to vote your shares by following the voting instructions your broker, bank or other nominee provides. However, because a beneficial owner is not the stockholder of record, you may not vote your shares of our common stock at the Annual Meeting unless you follow your broker’s procedures for obtaining a legal proxy. Please see the section of this Proxy Statement entitled “*What if I do not specify how my shares are to be voted?*” on page 3 for more information.

Do I have to do anything in advance if I plan to attend the Annual Meeting?

The Annual Meeting will be a virtual audio meeting of stockholders, which will be conducted via live audio webcast. You are entitled to participate in the Annual Meeting only if you were a holder of our common stock as of the close of business on April 12, 2024 or if you hold a valid proxy for the Annual Meeting.

To participate in the Annual Meeting, you will need the control number included on your Notice or proxy card. The live audio webcast will begin promptly at 8:00 a.m., Pacific Time. We encourage you to access the meeting prior to the start time. Online check-in will begin at 7:45 a.m., Pacific Time, and you should allow ample time for the check-in procedures.

How do I ask questions during the Annual Meeting?

We are committed to ensuring our stockholders have the same rights and opportunities to participate in the Annual Meeting as if it were held in a physical location. If you wish to submit a question during the meeting, you may log into www.virtualshareholdermeeting.com/PLSE2024 and enter your 16-digit control number. Once past the login screen, click on “Question for Management,” type in your question, and then click “Submit.”

Questions pertinent to meeting matters will be answered during the meeting, subject to time constraints. Questions regarding personal matters are not pertinent to meeting matters and therefore will not be answered at the Annual Meeting.

How can I get help if I have trouble checking in or listening to the meeting online?

If you encounter any difficulties accessing the virtual meeting during the check-in or meeting time, please call the technical support number that will be posted on the log-in page at www.virtualshareholdermeeting.com/PLSE2024.

How do I vote and what are the voting deadlines?

Stockholders of Record. If you are a stockholder of record, there are several ways for you to vote your shares:

- **By mail.** If you received printed proxy materials, you may submit your vote by completing, signing and dating each proxy card received and returning it in the prepaid envelope. Sign your name exactly as it appears on the proxy card. Your completed, signed and dated proxy card must be received prior to the Annual Meeting.
- **By telephone or via the Internet.** You may vote your shares by telephone or via the Internet by following the instructions provided in the Notice or proxy card. We recommend that you have your Notice or proxy card in hand when voting by telephone or via the Internet. If you vote by telephone or via the Internet, you do not need to return a proxy card by mail. Internet and telephone voting are available 24 hours a day; however, votes submitted by telephone or via the Internet must be received by 11:59 p.m., Eastern Time, on June 5, 2024.

Beneficial Owners. If you are a beneficial owner of your shares, you will receive voting instructions from the broker, bank or other nominee holding your shares. You should follow the voting instructions provided by your broker, bank or nominee in order to instruct your broker, bank or other nominee on how to vote your shares. The availability of telephone and Internet voting will depend on the voting process of the broker, bank or nominee. Shares held beneficially may be voted at the Annual Meeting only if you obtain a legal proxy from the broker, bank or nominee giving you the right to vote the shares.

Whether or not you plan to attend the Annual Meeting, we request that you vote by proxy to ensure your vote is counted. To vote, you will need the control number. The control number will be included in the Notice or on your proxy card if you are a stockholder of record or included with your voting instructions received from your broker, bank or other nominee if you hold your shares of common stock in a “street name.”

Internet proxy voting is provided to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. Please be aware that you must bear any costs associated with your Internet access.

Can I revoke or change my vote after I submit my proxy?

Stockholders of Record. If you are a stockholder of record, you may revoke your proxy at any time before it is voted at the Annual Meeting by:

- signing and returning a new proxy card with a later date;
- entering a new vote by telephone or via the Internet by 11:59 p.m., Eastern Time, on June 5, 2024;
- delivering a written revocation to our Corporate Secretary at Pulse Biosciences, Inc., 3957 Point Eden Way, Hayward CA 94545 by 8:00 p.m., Eastern Time, on June 5, 2024; or
- following the instructions at www.virtualshareholdermeeting.com/PLSE2024.

Beneficial Owners. If you are a beneficial owner of your shares, you must contact the broker, bank or other nominee holding your shares and follow its instructions on changing your vote.

What if I do not specify how my shares are to be voted?

Stockholders of Record. If you are a stockholder of record and you submit a proxy, but you do not provide voting instructions, your shares will be voted:

- “FOR” the election of the five directors nominated by our Board of Directors and named in this Proxy Statement for a one-year term and until their successors are duly elected and qualified, subject to their earlier resignation or removal; and
- “FOR” the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2024; and
- In the discretion of the named proxies regarding any other matters properly presented for vote at the Annual Meeting.

Beneficial Owners. If you are a beneficial owner and you do not provide your broker, bank or other nominee with voting instructions, your broker, bank or other nominee will determine if it has the discretionary authority to vote on each particular matter presented. Under the rules of The Nasdaq Stock Market, brokers, banks and other nominees do not have discretion to vote on non-routine matters, such as Proposal 1, absent direction from you. Therefore, if you do not provide voting instructions to your broker, bank or other nominee, your broker, bank or other nominee may not vote your shares on Proposal 1.

What constitutes a quorum, and why is a quorum required?

A quorum is the minimum number of shares required to be present at the Annual Meeting for it to be properly held under our bylaws and Delaware law. The presence (including by proxy) of a majority of all issued and outstanding shares of our common stock entitled to vote at the Annual Meeting will constitute a quorum at the Annual Meeting. As of the close of business on the record date of April 12, 2024, we had 55,225,333 shares of common stock outstanding and entitled to vote at the Annual Meeting, meaning that 27,612,666 shares of common stock must be represented at the Annual Meeting to constitute a quorum.

Your shares will be counted towards the quorum if you submit a proxy or vote at the Annual Meeting. Abstentions and broker non-votes will also count towards the quorum requirement. If there is not a quorum, a majority of the shares present at the Annual Meeting may adjourn the meeting to a later date.

What is the effect of a broker non-vote?

Brokers, banks or other nominees who hold shares of our common stock for a beneficial owner have the discretion to vote on routine proposals when they have not received voting instructions from the beneficial owner at least ten days prior to the Annual Meeting. A broker non-vote occurs when a broker, bank or other nominee does not receive voting instructions from the beneficial owner and does not have the discretion to direct the voting of the shares. Broker non-votes will be counted for purposes of calculating whether a quorum is present at the Annual Meeting but will not be counted for purposes of determining the number of votes present and entitled to vote with respect to a particular proposal. Thus, a broker non-vote will not impact our ability to obtain a quorum and will not otherwise affect the outcome of the vote on a proposal that requires a plurality of votes cast (Proposal 1) or the approval of a majority of the votes present and entitled to vote (Proposal 2).

What is the vote required for each proposal?

Proposal	Vote Required	Broker Discretionary Voting Allowed
Proposal 1: Election of directors	Plurality of votes cast	No
Proposal 2: Ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2024	Majority of the shares entitled to vote and present (including by proxy)	Yes

With respect to Proposal 1, you may vote FOR or AGAINST any of the nominees for election as a director, or you may ABSTAIN from voting on any nominee. The election of directors requires a plurality vote of the shares of our common stock present, including by proxy, at the Annual Meeting and entitled to vote thereon to be approved. “Plurality” means that the nominees who receive the largest number of FOR votes are elected as directors. As a result, any shares not voted FOR a particular nominee (whether as a result of a vote AGAINST, a stockholder abstention or a broker non-vote) will not be counted in such nominee’s favor and will have no effect on the outcome of the election.

With respect to Proposal 2, you may vote FOR, AGAINST or ABSTAIN. If you ABSTAIN from voting on this proposal, the abstention will have the same effect as a vote AGAINST Proposal 2.

Who will count the votes?

Broadridge Corporate Issuer Solutions, Inc., our transfer agent, has been engaged to receive and tabulate stockholder votes. Broadridge will separately tabulate FOR and AGAINST votes, abstentions, and broker non-votes. Broadridge will also certify the election results and perform any other acts required by the Delaware General Corporation Law.

Who is paying for the costs of this proxy solicitation?

We will bear the entire cost of proxy solicitation, including the preparation, assembly, printing, mailing, and distribution of the proxy materials. Solicitations may be made personally or by mail, facsimile, telephone, messenger, or via the Internet by our personnel who will not receive additional compensation for such solicitation. In addition, we will reimburse brokerage firms and other custodians for their reasonable out-of-pocket expenses for forwarding the proxy materials to stockholders.

How can I find the results of the Annual Meeting?

Preliminary results will be announced at the Annual Meeting. Final results will be published in a Current Report on Form 8-K to be filed with the Securities and Exchange Commission (the “SEC”) after the Annual Meeting.

What does it mean if I receive more than one set of printed materials?

If you receive more than one set of printed materials, your shares may be registered in more than one name and/or are registered in different accounts. Please follow the voting instructions on each set of printed materials, as applicable, to ensure that all of your shares are voted.

I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?

The SEC has adopted rules that allow a company to deliver a single proxy statement or annual report to an address shared by two or more of its stockholders. This method of delivery, known as “householding,” permits us to realize significant cost savings, reduces the amount of duplicate information stockholders receive, and reduces the environmental impact of printing and mailing documents to our stockholders. Under this process, certain stockholders will receive only one Notice card and any additional proxy materials that are delivered until such time as one or more of these stockholders notifies us that they want to receive separate copies. Any stockholders who object to, or wish to begin, householding may notify our Investor Relations Department at 510-241-1077 or IR@pulsebiosciences.com or by writing to Investor Relations, Pulse Biosciences, Inc., 3957 Point Eden Way, Hayward, CA 94545.

Beneficial owners may contact their broker, bank or other nominee to request information about householding.

What is the deadline to propose actions for consideration at next year’s annual meeting of stockholders or to nominate individuals to serve as directors?**Stockholder Proposals for 2025 Annual Meeting**

The submission deadline for stockholder proposals to be included in our proxy materials for the 2025 annual meeting of stockholders pursuant to Rule 14a-8 of the Securities and Exchange Act of 1934 (the “Exchange Act”) is December 15, 2024, except as may otherwise be provided in Rule 14a-8. All such proposals must be in writing and received by our Corporate Secretary at Pulse Biosciences, Inc., 3957 Point Eden Way, Hayward, CA 94545, by close of business on the required deadline, in order to be considered for inclusion in our proxy materials for the 2025 annual meeting of stockholders. Submission of a proposal before the deadline does not guarantee its inclusion in our proxy materials.

Advance Notice Procedure for 2025 Annual Meeting

Under our bylaws, director nominations and other business may be brought at an annual meeting of stockholders in accordance with the requirements of our bylaws as in effect from time to time. For the 2025 annual meeting of stockholders, a stockholder notice must be received by our Corporate Secretary at Pulse Biosciences, Inc., 3957 Point Eden Way, Hayward, CA 94545, not later than the close of business on the 45th day, nor earlier than the close of business on the 75th day, before the one-year anniversary of the date on which we first mailed proxy materials or a notice of availability of proxy materials (whichever is earlier) for the previous year’s annual meeting. However, if the 2025 annual meeting of stockholders is advanced by more than 30 days prior to, or delayed by more than 60 days after, the one-year anniversary of the 2024 Annual Meeting of Stockholders, then, for notice by the stockholder to be timely, it must be received by our Corporate Secretary not earlier than the close of business on the 120th day prior to the 2025 annual meeting of stockholders and not later than the close of business on the later of (i) the 90th day prior to the 2025 annual meeting of stockholders, or (ii) the 10th day following the day on which public announcement of the date of such annual meeting is first made. Please refer to the full text of our bylaw provisions for additional information and requirements. A copy of our current bylaws has been filed with our Annual Report on Form 10-K for the year ended December 31, 2023 and may be obtained by writing to our Corporate Secretary at the address listed in our proxy materials.

CORPORATE GOVERNANCE

Overview

Our Board of Directors oversees our Chief Executive Officer and other senior management in the competent and ethical operation of our business and affairs and assures that the long-term interests of the stockholders are being served. Our Board of Directors has adopted corporate governance guidelines that address items such as the qualifications and responsibilities of our directors and director candidates and corporate governance policies and standards applicable to us in general. We believe that good governance leads to high board effectiveness, promotes the long-term interests of our stockholders, strengthens the accountability of our Board of Directors and management, and improves our standing as a trusted member of the communities we serve.

Board Leadership Structure

Our Board of Directors believes that the roles of Chief Executive Officer and Board Chairman or Executive Chairman, as applicable, may be filled by the same or different individuals. This allows our Board of Directors to have the flexibility to determine whether the two roles should be combined or separated based upon the needs of the Company and our Board of Directors' assessment of our leadership, from time to time. Our Board of Directors believes that, at this time, it is in the best interests of our Company and our stockholders to separate these roles and for Kevin P. Danahy to serve as our Chief Executive Officer and for Robert W. Duggan, our majority stockholder, to serve as Executive Chairman of the Board of Directors.

Our Board of Directors has determined that the separation of the roles of Executive Chairman of the Board of Directors and Chief Executive Officer is appropriate at this time as it allows both our Chief Executive Officer and Executive Chairman to focus on management responsibilities and corporate strategy, while allowing our Executive Chairman to also focus on leadership of the Board of Directors, providing feedback and advice to the Chief Executive Officer and providing a channel of communication between the members of our Board of Directors and the Chief Executive Officer. Our Executive Chairman presides over all Board meetings and works with our Chief Executive Officer to develop agendas for meetings of the Board of Directors. He also works with the Board of Directors to drive decisions about particular strategies and policies and, in concert with the independent committees of the Board of Directors, facilitates a performance evaluation process of the Board of Directors.

Additionally, in March 2023, our Board of Directors appointed Manmeet S. Soni as its Lead Independent Director. As Lead Independent Director, Mr. Soni serves as a liaison between the Executive Chairman of the Board of Directors and the other independent directors and is responsible for leading any meetings of the independent directors, among other things. In the absence of both our Executive Chairman and our Lead Independent Director at a meeting of the Board of Directors, Mr. Danahy presides over the meeting, whereas during executive sessions of the independent directors, an independent director in attendance presides over the meeting and provides feedback from the executive session to the Executive Chairman, Chief Executive Officer and other senior management.

The Board of Director's Role in Risk Oversight

Our management has day-to-day responsibility for identifying risks facing us, including implementing suitable mitigating processes and controls, assessing risks in relation to Company strategies and objectives, and appropriately managing risks in a manner that serves the best interests of the Company, our stockholders, and other stakeholders. Our Board of Directors is responsible for ensuring that an appropriate culture of risk management exists within the Company and for setting the right "tone at the top," overseeing our aggregate risk profile, and assisting management in addressing specific risks.

Generally, various committees of our Board of Directors oversee risks associated with their respective areas of responsibility and expertise. For example, our Audit Committee oversees, reviews and discusses with management and the Company's independent auditor risks associated with our internal controls and procedures for financial reporting and the steps management has taken to monitor and mitigate these exposures; our Audit Committee also oversees the management of other risks, including those associated with credit risk, and it oversees our comprehensive compliance program, which covers subjects such as cybersecurity, privacy, anti-kickback compliance, and prohibitions against insider trading. Our Compensation Committee oversees the management of risks associated with our compensation policies, plans and practices. Our Nominating and Corporate Governance Committee oversees the management of risks associated with director independence and the composition and organization of the Board of Directors.

Management and other employees report to the Board of Directors and/or to the relevant committees, from time to time, on risk-related issues.

Director Independence

Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, our Board of Directors has determined that each of Dr. Zanganeh, Ms. Spray, and Messrs. Duggan, Soni, and van den Broek, representing five of our six currently serving directors, is "independent," as that term is defined under the rules of The Nasdaq Stock Market, and none of these directors has or has had a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Our Board of Directors has also determined that (i) Messrs. Soni and van den Broek and Ms. Spray, who comprise our Audit Committee, (ii) Messrs. Soni, Duggan and van den Broek, who comprise our Compensation Committee, and (iii) Messrs. Soni and Duggan, who comprise our Nominating and Corporate Governance Committee, satisfy the independence standards for those committees established by applicable SEC rules, including Rule 10A-3 of the Exchange Act, and the rules of The Nasdaq Stock Market. In making this determination, our Board of Directors considered the relationships that each non-employee director has or has had with our Company and all other facts and circumstances that our Board of Directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director.

The Board of Directors believes that the independence of the members of the Board of Directors satisfies the independence standards established by applicable SEC rules and the rules of The Nasdaq Stock Market.

Director Nominations

Candidates for nomination to our Board of Directors are selected by the Nominating and Corporate Governance Committee in accordance with the Committee's charter, and our Certificate of Incorporation and bylaws. The Nominating and Corporate Governance Committee endeavors to evaluate all candidates in the same manner and using the same criteria, regardless of the source of the recommendation.

The Nominating and Corporate Governance Committee may retain recruiting professionals to assist in identifying and evaluating candidates for director nominees. Our Board of Directors has adopted Corporate Governance Guidelines and the Nominating and Corporate Governance Committee has adopted Policies and Procedures for Director Candidates which set out, among other things, that the Nominating and Corporate Governance Committee considers factors such as character, integrity, judgment, diversity of experience (including age, gender, international background, race and professional experience), independence, area of expertise, length of service, potential conflicts of interest, other commitments and the like. The Nominating and Corporate Governance Committee considers the following minimum qualifications to be satisfied by any nominee to the Board of Directors: the highest personal and professional ethics and integrity; proven achievement and competence in the nominee's field and the ability to exercise sound business judgment; skills that are complementary to those of the existing members of the Board of Directors; the ability to assist and support management and make significant contributions to our success; and an understanding of the fiduciary responsibilities that is required of a member of the Board of Directors and the commitment of time and energy necessary to diligently carry out those responsibilities.

Based on the Nominating and Corporate Governance Committee's recommendation, the Board of Directors selects director nominees and recommends them for election by our stockholders, and also fills any vacancies that may arise between annual meetings of stockholders.

As a publicly held corporation based in California and listed on The Nasdaq Stock Market, the Company is subject to certain laws and listing requirements that mandate gender and other diversity on its board of directors, such as requirements to have a minimum number of directors from underrepresented communities. These requirements can be found at Nasdaq Listing Rule 5605(f)(4) and California Corporations Code sections 301.3 and 301.4. Currently, the Company is not in compliance with all of these requirements. However, the Nominating and Corporate Governance Committee considers director candidates with these requirements in mind and director recruitment efforts are continuing.

Moreover, the Nominating and Corporate Governance Committee will consider director candidates who are proposed by our stockholders in accordance with our bylaws, our Nominating and Corporate Governance Committee's Policies and Procedures for Director Candidates and other procedures established, from time to time, by the Nominating and Corporate Governance Committee. If you would like the Nominating and Corporate Governance Committee to consider a prospective director candidate, please follow the procedures in our bylaws and submit the candidate's name and qualifications to: Corporate Secretary, Pulse Biosciences, Inc., 3957 Point Eden Way, Hayward, CA 94545.

In April 2024, Shelley Spray agreed not to stand for reelection to our Board of Directors. The Nominating and Corporate Governance Committee concurred with Ms. Spray's decision, which was not the result of any disagreement or concern about the Company or her service as a director.

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics that is applicable to all of our employees, officers, and directors. Our code of business conduct and ethics is available on the Investor Relations page of our website at www.pulsebiosciences.com under "Corporate Governance." We will post amendments to, or waivers of, our code of business conduct and ethics on the same website.

Communication with the Board of Directors

Any stockholder communication with our Board of Directors or individual directors should be directed to Pulse Biosciences, Inc., c/o Corporate Secretary, 3957 Point Eden Way, Hayward, CA 94545. The Corporate Secretary will forward these communications, as appropriate, directly to our director(s). The independent directors of the Board of Directors review and approve the stockholder communication process periodically in an effort to enable an effective method by which stockholders can communicate with the Board of Directors.

Pursuant to our compensation policy for independent directors, each non-employee director may elect to convert all or a portion of his or her Retainer Cash Payments into a number of options (the “Retainer Option,” and such election, a “Retainer Option Election”). Equity Compensation: Pursuant to our compensation policy for independent directors, each new non-employee director receives a stock option grant to purchase 32,500 shares of our common stock under the terms of the then in effect equity compensation plan. These initial awards will vest over three years, with one-third of the shares subject to the option vesting on the one-year anniversary of the date of grant, and the remaining shares vesting monthly over the following two years, provided such non-employee director continues to serve as a director through each vesting date. These services may include audit services, audit-related services and tax services, as well as specifically designated non-audit services which, in the opinion of the Audit Committee, will not impair the independence of the independent registered public accounting firm. Pre-approval generally is provided for up to one year, and any pre-approval is detailed as to the particular service or category of services and generally is subject to a specific budget. The independent registered public accounting firm and our management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, including the fees for the services performed to date. In addition, the Audit Committee also may pre-approve particular services on a case-by-case basis, as necessary or appropriate.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Policies and Procedures for Related Party Transactions

We have adopted a formal written policy that our executive officers, directors, nominees for election as directors, beneficial owners of more than 5% of any class of our common stock, and any member of the immediate family of any of the foregoing persons are not permitted to enter into a related party transaction with us, where the aggregate amount involved will or may be expected to exceed \$120,000 in any calendar year, without the prior consent of our Audit Committee, subject to the pre-approval exceptions described below. If advance approval is not feasible, then the related party transaction will be considered at the Audit Committee's next regularly scheduled meeting. In approving or rejecting any such proposal, our Audit Committee considers the facts and circumstances available and deemed relevant by our Audit Committee, including, but not limited to, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related party's interest in the transaction. Our Audit Committee has reviewed certain types of related party transactions that it has deemed pre-approved even if the aggregate amount involved will exceed \$120,000, including employment of executive officers, director compensation, certain transactions with other organizations at which a related party's only relationship is as a non-executive employee, director or beneficial owner of less than 10% of that organization's shares, transactions where all stockholders receive proportional benefits, transactions involving competitive bids, regulated transactions, and certain banking-related services.

D&O Insurance

In May 2022, the Company determined not to renew its annual director and officer liability insurance policy due to disproportionately high premiums quoted by insurance companies. Instead, on May 31, 2022, the Company and Robert W. Duggan, the Company's Executive Chairman, entered into a letter agreement (the "Letter Agreement") pursuant to which Mr. Duggan agreed with the Company to personally provide indemnity coverage for a one-year period. The Company paid a fee of \$1.0 million to Mr. Duggan on May 31, 2023, the last day of the one-year period, in consideration of the obligations set forth in the Letter Agreement.

In May 2023, the Company secured director and officer liability insurance from third-party insurance carriers through a brokered transaction.

Duggan Term Loans

In September 2022 we entered into the 2022 Loan Agreement with Robert W. Duggan, our majority stockholder and Executive Chairman, in connection with Mr. Duggan lending the principal sum of \$65.0 million to the Company. The Loan Agreement bore interest at a rate per annum equal to 5.0%, payable quarterly commencing on January 1, 2023, with the principal sum payable on March 20, 2024. On March 17, 2023, the Company and Mr. Duggan amended certain terms of the Loan Agreement. There were no changes to the interest rate, but the principal sum repayment date was changed to September 30, 2024. During the year ended December 31, 2023, we made cash payments of \$1.7 million for accrued interest on the loan, and recorded an additional \$1.1 million of interest expense in relation to the 2022 Loan Agreement. On April 30, 2023, we entered into a Securities Purchase Agreement with Mr. Duggan, pursuant to which the Company agreed to issue and sell to Mr. Duggan 10,022,937 shares of the Company's common stock, par value \$0.001 per share, in a Private Placement, at a price per share of \$6.51. These shares were paid for through the cancellation of the amounts then owed by us under the 2022 Loan Agreement, the principal sum of \$65.0 million and all accrued and unpaid interest outstanding, which totaled approximately \$0.2 million as of April 30, 2023. The parties completed the Private Placement on May 9, 2023 and, upon closing and satisfaction of the outstanding debt, the 2022 Loan Agreement terminated, without early termination fees or penalties being owed by us. Overview of Compensation Program

This Compensation Discussion and Analysis describes the material elements of compensation awarded to, earned by or paid to each of our executive officers named in the Compensation Table under “Remuneration of Executive Officers” (the “named executive officers” or “NEOs”) who served during the year ended December 31, 2023. This compensation discussion primarily focuses on the information contained in the following tables and related footnotes and narrative for the last completed fiscal year. We also describe compensation actions taken after the last completed fiscal year to the extent that it enhances the understanding of our executive compensation disclosure. The principles and guidelines discussed herein would also apply to any additional executive officers that the Company may hire in the future.

The Compensation Committee of the Board has responsibility for overseeing, reviewing and approving executive compensation and benefit programs in accordance with the Compensation Committee’s charter. The members of the Compensation Committee are Manmeet Soni, Robert Duggan and Richard van den Broek.

The principal duties and responsibilities of the Compensation Committee include:

- reviewing, modifying and approving our overall compensation strategy and policies, including: (a) reviewing and approving corporate goals and objectives relevant to the compensation of our executive officers and other senior management, as appropriate; (b) evaluating and approving, or recommending to the Board for approval, compensation plans and programs advisable for us, including modifications and terminations to those plans and programs; (c) establishing policies with respect to equity compensation arrangements; (d) assessing the adequacy and competitiveness of our executive compensation programs among comparable companies in our industry; and (e) reviewing and approving the terms of any employment agreements, severance arrangements, change-of-control protections and any other compensatory arrangement for our executive officers and other senior management, as appropriate;
- establishing and approving individual and corporate goals and objectives of our named executive officer and our other executive officers and senior management and evaluating performance of our named executive officer and our other executive officers and senior management, as appropriate, in light of these stated objectives;
- reviewing and approving the type and amount of compensation to be paid or awarded to Board members; and
- adopting, amending, administering, and terminating our equity compensation plans, bonus plans, deferred compensation plans, and similar programs.

Since 2016, from time to time, the Compensation Committee has obtained advice from third parties regarding peer group compensation and other attributes of executive compensation. In 2020, the Compensation Committee engaged Compensia as its compensation consultant. During our fiscal year ended on December 31, 2021, the Compensation Committee continued its engagement of Compensia to review our executive and director compensation policies and practices and to conduct a competitive market analysis of executive and director compensation. We engaged Compensia once again in November 2023 to conduct a competitive market analysis of executive compensation. In 2023 and 2024, Compensia provided the following assistance:

- reviewed and updated the compensation peer group of comparable public companies for purposes of evaluating the compensation levels of our executive officers and non-employee directors;
- analyzed the compensation levels and practices of the companies in our compensation peer group;
- reviewed the competitiveness of compensation paid to our executive officers, including base salary, annual cash incentive awards and long-term incentive awards;
- reviewed and provided input on the design of the annual and long-term incentive compensation programs offered to our executive officers and other members of senior management; and
- provided ad hoc advice and support, including related to the severance and change of control provisions in our employment agreements, aggregate equity utilization (burn rate and overhang) and broad-based employee cash and equity compensation.

The Compensation Committee does not believe that its relationship with Compensia or the work of Compensia on behalf of the Compensation Committee has raised any conflict of interest.

Generally, the Compensation Committee’s process for setting executive compensation comprises two related elements: (i) the determination of compensation levels; and (ii) the establishment of performance objectives for the current year. The Compensation Committee generally makes adjustments to annual compensation, determines bonuses and equity awards and establishes new performance objectives at one or more meetings held near the beginning of

the fiscal year. The Compensation Committee also considers matters related to individual compensation, such as compensation for new executive officer hires, as well as high-level strategic issues, such as the effectiveness of our compensation strategy, potential modifications to that strategy and new trends, plans or approaches to compensation, at various meetings throughout the year.

For executive officers other than our Chief Executive Officer, the Compensation Committee solicits and considers such executive officers' performance evaluations and recommendations submitted to the Compensation Committee by our Chief Executive Officer. In addition, the Compensation Committee conducts an evaluation of the performance of both our Chief Executive Officer and our Chief Technology Officer, as he is also a director of the Company, and determines any adjustments to their compensation as well as awards to be granted. Based on those discussions and the exercise of its discretion, the Compensation Committee, without members of management present, discusses and ultimately approves the compensation of our executive officers. For all executive officers and directors, when making its compensation decisions, the Compensation Committee may review and consider, as appropriate, materials such as financial reports and projections, operational data, tax and accounting information, tally sheets that set forth the total compensation that may become payable to executive officers in various hypothetical scenarios, executive officer and director share ownership information, company share performance data, analyses of historical executive officer compensation levels and current company-wide compensation levels and recommendations of Compensia, the Compensation Committee's compensation consultant, including analyses of executive officer and director compensation paid at the companies comprising the compensation peer group. The Compensation Committee may also form and delegate authority to subcommittees as it deems appropriate.

Executive Compensation

The following is a discussion and analysis of compensation arrangements of our named executive officers. This discussion contains forward looking statements that are based on our current plans, considerations, expectations, and determinations regarding future compensation programs. Actual compensation programs that we adopt may differ materially from currently planned programs as summarized in this discussion.

We seek to ensure that the total compensation paid to our executive officers is reasonable and competitive. Compensation of our executives is structured around the achievement of individual performance and near-term corporate targets as well as long-term business objectives.

Our named executive officers for fiscal year 2023 were our principal executive officer and our next two most highly compensated executive officers who were serving as executive officers as of December 31, 2023, namely:

- Kevin P. Danahy, our Chief Executive Officer;
- Darrin R. Uecker, our Chief Technology Officer and a director; and
- Mitchell E. Levinson, our Chief Strategy Officer.

In December 2022, the Compensation Committee concluded that none of the Company's 2022 corporate objectives had been achieved and decided to award no 2022 cash bonuses.

In March 2023, to encourage employee retention through the Company's change in strategic focus, the Compensation Committee awarded all Company employees, other than our Chief Executive Officer and Chief Technology Officer, a spot bonus equal to 8% of each employee's base salary. Each of these bonuses was paid in three equal installments on June 30, 2023, September 30, 2023, and December 31, 2023, provided the recipient remained an employee through the applicable payment date.

In September 2023, the Board of Directors awarded \$300,000, as a 2023 bonus prepayment, to each of our Chief Executive Officer and Chief Technology Officer in recognition of the Company's exceptional progress towards successfully completing its 2023 corporate objectives. Thereafter, in December 2023, the Compensation Committee concluded that 100% of the Company's 2023 corporate objectives had been achieved and decided to award 2023 cash bonuses in full, which bonuses were paid in 2024 other than the prepayments in September 2023.

Pay Versus Performance

As required by Section 953(a) of the Dodd-Frank Wall Street Reform and Consumer Protection Act and Item 401(v) of Regulation S-K, we are providing the following information about the relationship between executive compensation actually paid (as defined by SEC rules) and certain financial performance of the Company. The Compensation Committee did not consider the pay versus performance information presented in this section when making its compensation decisions for either of the years shown. For further information about how we align executive compensation with the Company's performance, please refer to the Compensation Discussion and Analysis, above. The amounts in the tables below are calculated in accordance with SEC rules and do not represent amounts actually earned or realized by our NEOs.

The following table sets forth the compensation for our principal executive officers (our “PEOs”) and the average compensation for certain of our other NEOs, each as reported in the Summary Compensation Table and with certain adjustments to reflect Compensation Actually Paid (“CAP”), as defined under the SEC rules. The table also provides information with respect to Cumulative Total Shareholder Return (“TSR”) and Net Income.

Executive Officer Employment Agreements

Employment Agreement with Kevin P. Danahy (Chief Executive Officer)

We entered into an employment agreement with Mr. Danahy on February 9, 2022, when he joined the Company as our Chief Commercial Officer. We then amended Mr. Danahy's employment agreement on September 20, 2022, when the Board appointed him as our Chief Executive Officer. Mr. Danahy's employment agreement, as amended, has no specific term and constitutes at-will employment. His current annual base salary is \$525,000. Presently, Mr. Danahy is eligible for an annual target bonus equal to 70% of his annual base salary, subject to achievement of performance objectives. Mr. Danahy is also eligible to participate in employee benefit plans maintained from time to time by us of general applicability to other senior executives.

Mr. Danahy's original employment agreement provided him the right to receive an option to purchase up to 300,000 shares of our common stock (the "Danahy Start Date Option"). On September 20, 2022, Mr. Danahy and the Company entered into an amendment agreement (the "Danahy Amendment"), pursuant to which he received an additional option to purchase up to 450,000 shares of our common stock (the "Danahy CEO Option"). Under Mr. Danahy's employment agreement, as amended, the Danahy Start Date Option will vest according to the following schedule provided he continues to provide services to the Company as a Service Provider, as defined by the Company's equity plans, through each such vesting date: (a) 1/3 of the option shares granted (100,000 option shares) will vest in four equal installments on each of the first four annual anniversaries of his Start Date, *i.e.*, February 9, 2022, (b) 1/3 of the option shares (100,000 option shares) will vest upon the achievement of performance objectives established in good faith by the Compensation Committee, with vesting targets set at 25% (*i.e.*, 25,000 option shares each) on each of the first four annual anniversaries of the Start Date, (c) 1/6 of the option shares (50,000 option shares) will vest in two equal installments on each of the third and fourth annual anniversaries of the Start Date, and (d) 1/6 of the option shares (50,000 option shares) will vest upon in two equal installments on each of the third and fourth annual anniversaries of the Start Date upon the achievement of performance objectives established in good faith by the Compensation Committee. In contrast, the Danahy CEO Option has time-based vesting provisions and will vest in equal installments over four years on each anniversary of the amendment date, subject to his continuing service to the Company. However, pursuant to his employment agreement, if Mr. Danahy's employment is involuntary terminated within twelve months following a Company "change of control," as such term is defined in his applicable option agreements, 100% of his unvested equity awards then outstanding will fully vest and become exercisable. If his employment is involuntarily terminated not in connection with a Company change of control, then the vesting of his outstanding equity awards that would normally vest over the following twelve-month period will immediately accelerate and fully vest prior to his termination.

If we terminate Mr. Danahy's employment other than for "cause," death, or disability or if he resigns for "good reason," as defined in his employment agreement, then, subject to his execution of a release of claims in our favor and Mr. Danahy's compliance with certain restrictive covenants set forth in his employment agreement Mr. Danahy is entitled to receive (i) continuing payments of his then-current base salary for a period of twelve months following his termination of employment, less applicable withholdings, (ii) accelerated vesting as to that portion of his then outstanding and unvested options that would have vested had he remained an employee for twelve months following his termination date, or accelerated vesting of 100% of his unvested options if he is involuntarily terminated within twelve months following a Company "change of control," as defined by his employment agreement, and (iii) reimbursement of premiums to maintain group health insurance continuation benefits pursuant to "COBRA" for Mr. Danahy and his respective dependents until the earlier of (A) Mr. Danahy or his eligible dependents become covered under similar plans, or (B) the date upon which Mr. Danahy ceases to be eligible for coverage under COBRA.

As defined in Mr. Danahy's employment agreement, as amended, "cause" means Mr. Danahy's (i) conviction of, or plea of *nolo contendere* to, a felony or any crime involving fraud, embezzlement or any other act of moral turpitude, (ii) gross misconduct, (iii) unauthorized use or disclosure of any proprietary information or trade secrets of the Company or any other party to whom Mr. Danahy owes an obligation of nondisclosure as a result of Mr. Danahy relationship with the Company; (iv) willful breach of any obligations under any written agreement or covenant with the Company that is injurious to the Company; or (v) continued failure to perform his employment duties after Mr. Danahy has received a written demand of performance from the Company which specifically sets forth the factual basis for the Company's belief that Mr. Danahy has not substantially performed his duties and has failed to cure such non-performance to the Company's satisfaction within 30 business days after receiving such notice.

As defined in Mr. Danahy's employment agreement, as amended, "good reason" means Mr. Danahy's resignation within 30 days following the expiration of any Company cure period (discussed below) following the occurrence of one or more of the following, without Mr. Danahy's express written consent: (i) the assignment to Mr. Danahy of any duties beyond the generally recognized scope of employment of a company chief executive officer or the reduction of Mr. Danahy's duties or the removal of Mr. Danahy from his position and responsibilities as chief executive officer, either of which must result in a material diminution of Mr. Danahy's authority, duties, or responsibilities with the Company in effect immediately prior to such assignment; provided, however, if Mr. Danahy is provided with an alternative executive type position within the Company or its subsidiaries at the same or better compensation as proved herein or that a reduction in duties, position or responsibilities solely by virtue of the Company being acquired and made part of a larger entity will not constitute "good reason"; (ii) a material reduction in Mr. Danahy's base salary (except where there is a reduction applicable to the management team generally of not more than 10% of Mr. Danahy's base salary); or (iii) a material change in the geographic location of Mr. Danahy's primary work facility or location; provided, that a relocation of less than 50 miles from Mr. Danahy's then present work location will not be considered a material change in geographic location. Mr. Danahy will not resign for good reason without first providing the Company with written notice of the acts or omissions constituting the grounds for "good reason" within 90 days of the initial existence of the grounds for "good reason" and a reasonable cure period of not less than 30 days following the date of such notice and such grounds for "good reason" have not been cured during such cure period.

In the event any payment to Mr. Danahy pursuant to his employment agreement would be subject to the excise tax imposed by Section 4999 of the Code as a result of a payment being classified as a parachute payment under Section 280G of the Code, Mr. Danahy will receive such payment as would entitle him to receive the greatest after-tax benefit, even if it means that we pay him a lower aggregate payment so as to eliminate the potential excise tax imposed by Section 4999 of the Code.

Mr. Danahy has also entered into our standard inventions assignment, confidentiality and non-competition agreement and our standard indemnification agreement for officers and directors.

Employment Agreement with Darrin R. Uecker (Chief Technology Officer)

We entered into an employment agreement with Mr. Uecker on September 8, 2015, when he joined the Company as our President and Chief Executive Officer. We then amended Mr. Uecker's employment agreement on October 5, 2016, in advance of our initial public offering of shares. We again amended Mr. Uecker's employment agreement on September 20, 2022, when the Board appointed him as our Chief Technology Officer, so that he could focus his efforts on new product development in cardiology. Mr. Uecker's employment agreement, as amended, has no specific term and constitutes at-will employment. His current annual base salary is \$525,000. Presently, Mr. Uecker is eligible for an annual target bonus equal to 70% of his annual base salary,

subject to achievement of performance objectives. Mr. Uecker is also eligible to participate in employee benefit plans maintained from time to time by us of general applicability to other senior executives.

Mr. Uecker's employment agreement provided him the right to receive an option to purchase shares of our common stock equal to 3% of our fully diluted equity as of September 8, 2015 (the "Uecker Start Date Option"), and the right to receive an option to purchase shares of our common stock subsequent to the completion of the then planned IPO such that, including the Uecker Start Date Option, Mr. Uecker would hold options to purchase shares equal to 3% of our post-IPO fully diluted equity (the "IPO Option"). On October 5, 2016, Mr. Uecker and our Company entered into an amendment agreement (the "Uecker Amendment"), pursuant to which Mr. Uecker agreed to forgo receipt of the IPO Option until our stockholders approve a new equity incentive plan or an increase in the number of shares available under our 2015 Equity Incentive Plan. Pursuant to the Uecker Amendment, in exchange for Mr. Uecker forgoing receipt of the IPO Option, Mr. Uecker received (i) an option grant to purchase 187,286 shares of our common stock, which is a number of shares equal to the number of shares he would have been entitled to receive upon completion of the IPO, and (ii) a restricted stock grant with a grant date fair value equal to the product of (A) (i) the exercise price per share of the deferral grant, less (ii) \$4.00 per share, multiplied by (B) 187,286. In the event of a change in control that precedes the aforementioned option grant while Mr. Uecker is still an employee of our Company, Mr. Uecker would be entitled to receive a cash bonus equal to the consideration he would have received as a holder of a vested option to purchase 187,286 shares of our common stock at an exercise price of \$4.00 per share. Pursuant to Mr. Uecker's employment agreement, if we experience a change of control, as such term is defined in Mr. Uecker's applicable option agreement, and Mr. Uecker remains an employee through the date of such change of control, the Uecker Start Date Option and IPO Option, to the extent outstanding and unvested, will fully vest and become exercisable. The Uecker Start Date Option and IPO Option will be exercisable for a 10-year period after the start date of employment.

If we terminate Mr. Uecker's employment other than for "cause," death, or disability or if he resigns for "good reason," as defined in his employment agreement, then, subject to his execution of a release of claims in our favor and Mr. Uecker's compliance with certain restrictive covenants set forth in his employment agreement Mr. Uecker is entitled to receive (i) continuing payments of Mr. Uecker's then-current base salary for a period of 12 months following his termination of employment, less applicable withholdings, (ii) accelerated vesting as to that portion of Mr. Uecker's then outstanding and unvested options that would have vested had Mr. Uecker remained an employee for twelve months following his termination date, and (iii) reimbursement of premiums to maintain group health insurance continuation benefits pursuant to "COBRA" for Mr. Uecker and his respective dependents until the earlier of (A) Mr. Uecker or his eligible dependents become covered under similar plans, or (B) the date upon which Mr. Uecker ceases to be eligible for coverage under COBRA.

As defined in Mr. Uecker's employment agreement, as amended, "cause" means Mr. Uecker's (i) conviction of, or plea of nolo contendere to, a felony or any crime involving fraud, embezzlement or any other act of moral turpitude, (ii) gross misconduct, (iii) unauthorized use or disclosure of any proprietary information or trade secrets of the Company or any other party to whom Mr. Uecker owes an obligation of nondisclosure as a result of Mr. Uecker relationship with the Company; (iv) willful breach of any obligations under any written agreement or covenant with the Company that is injurious to the Company; or (v) continued failure to perform his employment duties after Mr. Uecker has received a written demand of performance from the Company which specifically sets forth the factual basis for the Company's belief that Mr. Uecker has not substantially performed his duties and has failed to cure such non-performance to the Company's satisfaction within 30 business days after receiving such notice.

As defined in Mr. Uecker's employment agreement, as amended, "good reason" means Mr. Uecker's resignation within 30 days following the expiration of any Company cure period (discussed below) following the occurrence of one or more of the following, without Mr. Uecker's express written consent: (i) the assignment to Mr. Uecker of any duties beyond the generally recognized scope of employment of a company chief technology officer or the reduction of Mr. Uecker's duties or the removal of Mr. Uecker from his position and responsibilities as chief technology officer, either of which must result in a material diminution of Mr. Uecker's authority, duties, or responsibilities with the Company in effect immediately prior to such assignment; provided, however, if Mr. Uecker is provided with an alternative executive type position within the Company or its subsidiaries at the same or better compensation as proved herein or that a reduction in duties, position or responsibilities solely by virtue of the Company being acquired and made part of a larger entity will not constitute "good reason"; (ii) a reduction in Mr. Uecker's base salary (except where there is a reduction applicable to the management team generally of not more than 10% of Mr. Uecker's base salary); or (iii) a material change in the geographic location of Mr. Uecker's primary work facility or location; provided, that a relocation of less than 50 miles from Mr. Uecker's then present work location will not be considered a material change in geographic location. Mr. Uecker will not resign for good reason without first providing the Company with written notice of the acts or omissions constituting the grounds for "good reason" within 90 days of the initial existence of the grounds for "good reason" and a reasonable cure period of not less than 30 days following the date of such notice and such grounds for "good reason" have not been cured during such cure period.

In the event any payment to Mr. Uecker pursuant to his employment agreement would be subject to the excise tax imposed by Section 4999 of the Code as a result of a payment being classified as a parachute payment under Section 280G of the Code, Mr. Uecker will receive such payment as would entitle him to receive the greatest after-tax benefit, even if it means that we pay him a lower aggregate payment so as to eliminate the potential excise tax imposed by Section 4999 of the Code.

Mr. Uecker has also entered into our standard inventions assignment, confidentiality and non-competition agreement and our standard indemnification agreement for officers and directors.

Employment Agreement with Mitchell E. Levinson (Chief Strategy Officer)

We entered into an employment agreement with Mr. Levinson on August 19, 2021, when he joined the Company as our Chief Strategy Officer. The employment agreement has no specific term and constitutes at-will employment. Mr. Levinson's current annual base salary is \$389,380. Presently, Mr. Levinson is eligible for an annual target bonus equal to 50% of his annual base salary, prorated for the year of hire, subject to achievement of performance objectives set and measured in the good faith of our board of directors. Mr. Levinson is eligible to participate in employee benefit plans maintained from time to time by us of general applicability to other senior executives.

Immediately prior to his appointment as an executive officer, Mr. Levinson resigned from our board of director's Sciences and Technology Committee and Compensation Committee, and the Science and Technology Committee has since been dissolved. Mr. Levinson continues to serve as a Company director, however, because he is no longer considered to be an independent director, he no longer receives compensation for his board service.

Mr. Levinson's employment agreement provided him the right to receive an option to purchase up to 65,510 shares of our Common (the "Levinson Start Date Option"). The Levinson Start Date Option is exercisable for a 10-year period after the start date of employment. Subject to certain accelerated vesting provisions as described herein, the options provided by the Levinson Start Date Option will vest as follows: (a) 50% of the option shares granted (32,755 option shares) will vest in three equal installments (10,918 option shares) on the second, third and fourth anniversary of the start date and (b) 50% of the option shares (32,755 option shares) will vest upon the achievement of performance objectives established in good faith by the Compensation Committee of the board of directors, with vesting targets set at 25% (8,188 option shares) on each annual anniversary of the Start Date. All vesting is subject to Mr. Levinson's continuing to be a Service Provider (as defined in our 2017 Equity Incentive Plan) through each applicable vesting date and vesting target achievement determination date.

If we terminate Mr. Levinson's employment other than for "cause," death, or disability or if he resigns for "good reason" as defined in his employment agreement, then, subject to his execution of a release of claims in our favor and Mr. Levinson's compliance with certain restrictive covenants set forth in his employment agreement, Mr. Levinson is entitled to receive (i) continuing payments of Mr. Levinson's then-current base salary for a period of 6 months following his termination of employment (3 months if the involuntary termination or resignation for good reason occurs within less than one year from the start date), less applicable withholdings, (ii) Mr. Levinson's annual target bonus for the year of termination, prorated for the portion of the year served assuming 100% achievement, (iii) reimbursement of premiums to maintain group health insurance continuation benefits pursuant to "COBRA" for Mr. Levinson and his respective dependents until the earlier of (A) Mr. Levinson or his eligible dependents become covered under similar plans, or (B) the date upon which Mr. Levinson ceases to be eligible for coverage under COBRA, and (iv) accelerated vesting as to that portion of Mr. Levinson's then outstanding and unvested options that would have vested had he remained an employee for twelve months following his termination date, except in the event of involuntary termination following a Company change of control. If the involuntary termination occurs within the twelve (12) month period following a Company change of control, then (i) if the employment term as of the date of such termination is less than one year from the Start Date, then 50% of the unvested portion of Mr. Levinson's then outstanding equity awards will immediately vest prior to his termination, and (ii) if the employment term as of the date of such termination is one year or more from the start date, then the unvested portion of Mr. Levinson's then outstanding equity awards will immediately vest prior to his termination.

As defined in his employment agreement, "cause" means Mr. Levinson's (i) conviction of, or plea of nolo contendere to, a felony or any crime involving fraud, embezzlement or any other act of moral turpitude, (ii) gross misconduct, (iii) unauthorized use or disclosure of any proprietary information or trade secrets of the Company or any other party to whom he owes an obligation of nondisclosure as a result of his relationship with the Company; (iv) willful breach of any obligations under any written agreement or covenant with the Company that is injurious to the Company; or (v) his continued failure to perform his employment duties after he has received a written demand for performance from the Company which specifically sets forth the factual basis for the Company's belief that he has not substantially performed his duties and has failed to cure such non-performance to the Company's satisfaction within thirty (30) business days after receiving such notice.

As defined in his employment agreement, "good reason" means Mr. Levinson's resignation within thirty (30) days following the expiration of any Company cure period (discussed below) following the occurrence of one or more of the following, without his express written consent: (i) the assignment to Mr. Levinson of any duties beyond the generally recognized scope of employment of a company Chief Strategy Officer or the reduction of his duties or the removal of Mr. Levinson from his position and responsibilities as Chief Strategy Officer, either of which must result in a material diminution of his authority, duties, or responsibilities with the Company in effect immediately prior to such assignment; provided, however, if the he is provided with an alternative executive type position within the Company or its subsidiaries at the same or better compensation as proved herein or that a reduction in duties, position or responsibilities solely by virtue of the Company being acquired and made part of a larger entity will not constitute "Good Reason"; (ii) a reduction in Mr. Levinson's base salary (except where there is a reduction applicable to the management team generally of not more than 10% of Executive's base salary); or (iii) a material change in the geographic location of Executive's primary work facility or location; provided, that a relocation of less than fifty (50) miles from Executive's then present work location will not be considered a material change in geographic location. Executive will not resign for Good Reason without first providing the Company with written notice of the acts or omissions constituting the grounds for "Good Reason" within ninety (90) days of the initial existence of the grounds for "Good Reason" and providing a cure period of not less than thirty (30) days following the date of such notice and such grounds for "Good Reason" have not been cured during such cure period.

In the event any payment to Mr. Levinson pursuant to his employment agreement would be subject to the excise tax imposed by Section 4999 of the Code as a result of a payment being classified as a parachute payment under Section 280G of the Code, Mr. Levinson will receive such payment as would entitle him to receive the greatest after-tax benefit, even if it means that we pay him a lower aggregate payment so as to eliminate the potential excise tax imposed by Section 4999 of the Code.

Mr. Levinson has also entered into our standard inventions assignment, confidentiality and non-competition agreement and our standard indemnification agreement for officers and directors.

Submission of a proposal before the deadline does not guarantee its inclusion in our proxy materials.

Advance Notice Procedure for 2025 Annual Meeting

Under our bylaws, director nominations and other business may be brought at an annual meeting of stockholders in accordance with the requirements of our bylaws as in effect from time to time. For the 2025 annual meeting of stockholders, a stockholder notice must be received by our Corporate Secretary at Pulse Biosciences, Inc., 3957 Point Eden Way, Hayward, CA 94545, not later than the close of business on the 45th day nor earlier than the close of business on the 75th day before the one-year anniversary of the date on which we first mailed proxy materials or a notice of availability of proxy materials (whichever is earlier) for the previous year's annual meeting. Stockholders Sharing the Same Address

The SEC has adopted rules that allow a company to deliver a single proxy statement or annual report to an address shared by two or more of its stockholders. This method of delivery, known as "householding," permits us to realize significant cost savings, reduces the amount of duplicate information stockholders receive, and reduces the environmental impact of printing and mailing documents to our stockholders. Under this process, certain stockholders will receive only one copy of our proxy materials and any additional proxy materials that are delivered until such time as one or more of these stockholders notifies us that they want to receive separate copies. Any stockholders who object to, or wish to begin, householding may notify our Investor Relations Department at IR@pulsebiosciences.com or Investor Relations, Pulse Biosciences, Inc., 3957 Point Eden Way, Hayward, CA 94545.

Notice and Access

As required by SEC rules, we are making this Proxy Statement and our Annual Report on Form 10-K available to our shareholders electronically via the Internet. In addition, we are using the SEC's Notice and Access Rules to provide shareholders with more options for receipt of these materials. Accordingly, on or about April 25, 2024, we will begin mailing a Notice of Internet Availability of Proxy Materials (the "Notice") to our stockholders containing instructions about how to access this Proxy Statement and Pulse Biosciences' Annual Report via the Internet, how to vote online, by telephone, or by mail, and how to receive paper copies of the documents and a proxy card. We believe that this process will provide a convenient, economic and environmentally friendly way to access the proxy materials and authorize a proxy to vote your shares.
