## ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

Pulse Biosciences, Inc. (the “Company”) has determined not to renew its directors and officers liability insurance policies this year due to disproportionately high premiums quoted by insurance companies. Instead, Robert W. Duggan, chairman of the Company’s board of directors (the “Board”), and the Company have entered into a letter agreement, dated May 12, 2020 (the “Letter Agreement”) pursuant to which Mr. Duggan has agreed with the Company to personally provide indemnity coverage on substantially the same terms as the Company’s prior coverage program for a one-year period, and has agreed to deposit at least \$30,000,000 of cash and/or marketable securities as security for such obligations.

To the extent permissible by law, the Company will pay a fee of \$2,500,000 to Mr. Duggan that shall be due on May 13, 2021, the last day of the one-year period, in consideration of the obligations set forth in the Letter Agreement. Based on the terms quoted by insurance companies, the Company estimates that the total cost to the Company, including insurance premiums, broker fees and any financing of these costs would have been in excess of \$2.8 million. The other members of the Board are third-party beneficiaries under the Agreement. The Letter Agreement also provides for an expedited dispute resolution process. It is intended that the Letter Agreement will be replaced and superseded by a later agreement more fully setting forth the rights and obligations of the parties thereto.

The foregoing description of the terms of the Letter Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Letter Agreement, a copy of which, unless superseded, will be filed as an exhibit to the Company’s Quarterly Report on Form 10-Q for the quarter ending June 30, 2020.

## ITEM 5.02. DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS.

### *(d) Amended and Restated Outside Director Compensation Policy*

The Company consulted with an independent compensation consultant regarding its outside director compensation policy relative to prevailing market data. Based on such consultation, the Board made changes to its cash and equity-based compensation (the “Outside Director Compensation Policy”) as follows:

*Cash compensation:* Beginning May 18, 2020, each non-employee member of the Board will be eligible to receive the following cash compensation (the “Retainer Cash Payments”): (1) an annual retainer for each member of the Board of \$40,000 paid in equal quarterly installments; (2) the members of the Company’s Audit, Compensation, and Nominating and Corporate Governance Committees will be paid an additional annual retainer of \$10,000, \$6,500, and \$5,000, respectively, for their service on each committee; (3) the Chairs of the Audit, Compensation, and Nominating and Corporate Governance Committees will be paid an additional annual retainer of \$10,000, \$6,250, and \$5,000, respectively; and (4) the Chairman of the Board will be paid an additional annual retainer of \$27,300. In addition, the Company shall reimburse its non-employee directors for all reasonable out-of-pocket expenses incurred in the performance of their duties as directors.

Each non-employee director may elect to convert all or a portion of his or her Retainer Cash Payments into a number of options (“Retainer Option,” and such election, a “Retainer Option Election”). The number of shares subject to a Retainer Option will be equal to (i) the product of (A) the dollar value of the aggregate Retainer Cash Payments that the non-employee director elects to forego over the course of a specified period covered by a Retainer Option Election in favor of receiving a Retainer Option multiplied by (B) three, divided by (ii) the fair market value of a share on the date of grant of the Retainer Option, provided that the number of shares covered by such Retainer Option shall be rounded to the nearest whole share.

*Equity Compensation:* Each new non-employee director shall receive a stock option grant to purchase 32,500 shares of the Company’s common stock under the terms of the then in effect equity compensation plan. These initial awards will vest over three years, with one-third of the shares subject to the option vesting on the one-year anniversary of the date of grant, and the remaining shares vesting monthly over the following two years, provided such non-employee director continues to serve as a director through each vesting date. In addition, each non-employee director shall be eligible to automatically receive an annual stock option grant to purchase 20,000 shares of the Company’s common stock on the date of the annual meeting beginning on the date of the first annual meeting that is held after such non-employee director received his or her initial award, provided such non-employee director continues to serve as a director through such date. Such annual awards vest monthly over one year, provided such non-employee director continues to serve as a director through each vesting date.

In the event of a “change in control,” the participant non-employee director will fully vest in and have the right to exercise awards as to all shares underlying such awards and all restrictions on awards will lapse, and all performance goals or

other vesting criteria will be deemed achieved at 100% of target level and all other terms and conditions met, provided the non-employee director remains a director through the date of such change in control.
